A Message from the Supervisor

Dear Islip Resident,

On behalf of the entire Town Board, I am pleased to provide you with our Summer/Fall Recreation Newsletter which features hundreds of activities that you and your family can enjoy at very reasonable prices. Our mission has always been to provide the residents of Islip with clean, safe and attractive parks of the highest quality and affordable programming.

With the snow behind us, we look forward to getting outside and enjoying some of the many outdoor spaces the town has to offer; whether it be at one of our three golf courses or our 106 parks, beaches and pools. I have made it a priority of my administration to see that the Town's natural areas are taken care of and are available for the residents to enjoy for generations to come. So why not stop in at our 206-acre Nature Preserve located on Bayview Avenue in East Islip where you can visit the Nature Center, take a quiet walk on one of the many trails or sign up for a class.

When the weather gets hot, you can head to one of our many beaches and pools to cool off. We are especially proud of Shipwreck Cove, our new interactive spray park located at the Bay Shore Marina, which is fun for the whole family. We also offer very affordable pool memberships and swim lessons at our other four outdoor pool complexes as well. Finally, I am proud to announce that there will be a fireworks display at the Bay Shore Marina on the Fourth of July!

Once again, on behalf of the entire Town Board, I would like to invite you use this guide to sign up for one of our top-notch programs or to find a facility that meets your needs. Whether you are looking for passive recreation or exciting sports programs, we have it all right here in Islip. Have a great summer!

Very Truly Yours,

Phil Nolan
Islip Town Supervisor

- Swim the front crawl for 25 yards continuously while breathing to the front or side
- Tread water for 1 minute using arms and legs

KEEP ISLIP CLEAN

Have you ever noticed a problem in your community and said, "You know what *they* should do to fix this?" Consider changing the question to "What can I do to help?" One answer is to become a volunteer for Keep Islip Clean.

KIC is an affiliate of Keep America Beautiful, and our volunteers are committed to reducing litter in all 18 hamlets of Islip. Cleanup projects immediately improve the beauty and health of the local environment, and are popular with students who need community service, scouting troops, civic organizations and neighborhood groups.

Volunteers help in a variety of ways. They can commit to the Adopt-A-Highway/Spot program; join large annual events, such as the Great American Cleanup or International Coastal Cleanup; or pick up litter where needed. KIC always provides bags, gloves, vests and other material for an effective project.

Anyone interested in working for a cleaner community should call KIC at 631-224-2627 or e-mail us at keepislipclean@optonline.net.
